

Proposal to set up a new Alumni Group

<p>Type of Proposed Alumni Group (Please delete as appropriate)</p> <p>Country Group</p> <p>Special Interest Group</p>
<p>Name of Group and Group Leader (Please include degree, graduation year and email address)</p>
<p>Names of Additional Volunteers and their role (Please include degrees, graduation years and email addresses)</p>
<p>For a proposed Country Group, do you intend to establish regional chapters? If so, please include the names of the regions (provinces/states, cities, etc.) in which you intend to establish chapters.</p>
<p>For a proposed Special Interest Group, please describe the scope of the proposed group's membership. Please indicate the business sector, course of study, or member characteristic that your group intends to represent.</p>

Proposal to set up a new Alumni Group

Have you communicated with alumni to gauge interest in the proposed group? If so, please provide a list of alumni who have expressed interest (including name, degree, subject, graduation year) and email address)

Are you aware of any past organized alumni activity in your country (in the case of a proposed Country Group) or involving the targeted special interest (in the case of a Special Interest Group)? If so, please provide details; in particular, please indicate why such activity is no longer occurring.

Have you read the [Key Principles for Recognised Groups](#)?

How do you intend to comply with the obligations set out in the *Key Principles for Recognised Groups*?

In this regard, please provide details regarding any future planned/proposed events. For a Special Interest Group, please indicate how you intend to establish an international presence.

Proposal to set up a new Alumni Group

**Please give an indication of the proposed activity to be undertaken by the group?
E.g. events, communication, professional development activities etc.**

**How will the proposed group be structured?
E.g. membership, fee-paying; membership, non-fee paying; elected group leader and committee etc.**
